01 PROFILE

My name is Dimpal Baishya, and I am an undergraduate Physics student at Cotton University. I am deeply passionate about programming and web development, with skills in Python, HTML, CSS, and JavaScript. My journey began from a non-coding background, and I've steadily grown to create and deploy my own projects, including a portfolio website.

Currently, I'm gaining hands-on experience as a web development intern at CodSoft, where I am learning to apply my skills to real-world challenges. Beyond academics, I enjoy exploring creative ideas.

02 EDUCATION

Sep 2022 — Jul 2025

Cotton University

Bachelor of Science

I am currently pursuing my undergraduate degree in Physics at Cotton University, one of the most prestigious institutions in Assam. The rigorous curriculum and diverse learning environment have enhanced my analytical and problem-solving skills. During my time here, I have also developed a keen interest in programming and web development, blending my academic knowledge with practical applications in technology.

Jun 2019 — Jul 2021

Baihata Chariali

Ramanujan Academy

Higher Secondary

I completed my higher secondary education at Ramanujan Junior Academy, Baihata Chariali, with an impressive score of 94.4%. My time at the academy helped me build a strong foundation in science, particularly Physics and Mathematics. The supportive academic environment and disciplined approach to learning fostered my analytical thinking skills, which later inspired my passion for programming and technology.

Jan 2008 — Nov 2018

Baihata Chariali

Shankar Ajan Siksha Niketon

Matriculation Certificate

I completed my matriculation from Shankar Ajan Siksha Niketon, Kamalpur, where I built a strong academic foundation and discovered my interest in programming during class 10. The school fostered a nurturing environment that encouraged curiosity and hard work, sparking my passion for technology and setting me on the path to explore the world of coding and web development.
